SUBHWANTI

INSTITUTE OF PROFESSIONAL EDUCATION

Dubouliya-Senuaria Bettiah, West Champaran-845454

INTRODUCTION

Subhwanti Institute of Professional Education is a distinguished educational institution located in Bettiah, Bihar, committed to shaping the future of aspiring professionals their respective fields. Renowned for its dedication to academic excellence, the institute provides a nurturing environment where students acquire both theoretical knowledge and practical skills to thrive in their chosen careers.

Strategically situated in Bettiah, a city with growing educational prominence, the campus is equipped with modern facilities, including advanced laboratories, smart classrooms, and a supportive infrastructure designed to foster innovation and learning. Subhwanti Institute stands out as a beacon of quality education in the region, preparing students to meet the demands of an ever-evolving professional landscape.

The institute operates with a strong foundation of approvals and affiliations that ensure its programs meet rigorous academic and industry standards. Subhwanti Institute of Professional Education is recognized and approved by relevant regulatory bodies, including the All India Council for Technical Education (AICTE) for its technical programs and the Pharmacy Council of India (PCI) for its pharmacy courses. These approvals affirm the institute's commitment to delivering education that is both credible and aligned with national benchmarks. Additionally, its courses are affiliated with esteemed

boards and universities, such as the Board of Technical Education, ensuring that the qualifications earned by students are widely recognized and respected in the professional world.

At its Bettiah campus, Subhwanti Institute offers a diverse range of courses tailored to equip students with specialized skills in high-demand fields. The flagship programs include the Master of Pharmacy (M. Pharma), the Bachelor of Pharmacy (B. Pharma) Diploma in Pharmacy (D. Pharma), BBA, BCA, BA LLB, and LLB, which are designed to prepare students for rewarding careers in the pharmaceutical industry.

These courses blend rigorous academic coursework with hands-on training in state-of-the-art laboratories, enabling graduates to excel as pharmacists, researchers, or healthcare professionals. Beyond pharmacy, the institute may also offer programs in other technical and professional disciplines, reflecting its mission to provide comprehensive education that caters to a variety of career aspirations.

With a focus on practical application, industry relevance, and ethical practice, Subhwanti Institute of Professional Education at Bettiah empowers its students to become competent and compassionate leaders in their respective domains.

SCHOOL OF PHARMACY •

The Subhwanti Institute of Professional Education under School of Pharmacy offers three primary pharmacy programs such as Master of Pharmacy (M. Pharma), Bachelor of Pharmacy (B. Pharma) and Diploma in Pharmacy (D. Pharma). These are designed to cater to different levels of academic and professional preparation. These programs are structured to provide a blend of theoretical knowledge, practical skills, and hands-on experience, aligning with industry standards and the evolving demands of the pharmaceutical sector. Both programs are designed to foster academic excellence, ethical practice, and innovation; ensuring graduates are competent to address challenges in pharmaceutical industries, education, and research.

The institute emphasizes state-of-the-art facilities, including well-equipped laboratories, libraries, and access to modern pharmaceutical tools, enhancing the learning experience. The M. Pharma, B. Pharma and D. Pharma courses offered by the institute are approved by the Pharmacy Council of India (PCI),

SCHOOL OF INFORMATION SCIENCE & MANAGEMENT •

The Subhwanti Institute of Professional Education, under the School of Information Science & Management, offers two key programs: Bachelor of Computer Application (BCA) and Bachelor of Business Administration (BBA). These programs are designed to cater to various levels of academic and professional preparation.

Structured to provide a comprehensive mix of theoretical knowledge, practical skills, and hands-on experience, both programs align with industry standards and meet the evolving needs of the sector. The courses emphasize academic excellence, ethical practices, and innovation, ensuring that graduates are well-equipped to tackle challenges across the industries, education, and research fields.

The institute is committed to offering state-of-the-art facilities, including advanced laboratories, libraries, and access to cutting-edge pharmaceutical tools, which enhance the overall learning experience. Both the BCA and BBA programs are approved by the All India Council for Technical Education (AICTE).

SCHOOL OF LAW •

The Subhwanti Institute of Professional Education, the School of Law represents an ambitious stride toward diversifying its academic offerings, aligning with the broader mission of the Subhwanti Group of Institutions to provide comprehensive, high-quality education across multiple disciplines. The School of Law, commitment to fostering skilled professionals equipped to navigate complex legal frameworks. With a foundation rooted in modern infrastructure, innovative teaching methodologies, and a dedication to ethical practice, the School of Law aims to prepare students for impactful careers in the legal field, contributing to justice and societal development in India and beyond. This introduction sets the stage for a closer exploration of its programs, facilities, and vision, reflecting SIPE's holistic approach to professional education. It gets its affiliation from BRABU (Baba Saheb Bhimrao Ambedkar Bihar University)

ABOUT PCI

The Subhwanti Institute of Professional Education under School of Pharmacy offers pharmacy programs like Master of Pharmacy (M. Pharma), Bachelor of Pharmacy (B. Pharma) and Diploma in Pharmacy (D. Pharma) approved by PCI.

The Pharmacy Council of India (PCI) is a pivotal statutory body constituted under the Pharmacy Act of 1948, functioning under the Ministry of Health and Family Welfare, Government of India. Based in New Delhi, PCI is entrusted with the comprehensive regulation of pharmacy education and the profession across the country. Its primary responsibilities include approving pharmacy institutions, designing and updating curricula for programs like Diploma in Pharmacy (D.Pharma), Bachelor of Pharmacy (B.Pharma), and higher qualifications, and ensuring these align with evolving industry needs and global standards. PCI conducts inspections to verify infrastructure, faculty qualifications, and compliance with its norms, granting recognition to institutions.

Beyond education, PCI maintains the Central Register of Pharmacists, a database of qualified professionals eligible to practice, thereby safeguarding the integrity of the profession. It also facilitates continuing education programs to keep pharmacists updated on advancements in pharmaceutical sciences, drug development, and healthcare practices.

ABOUT AICTE

The Subhwanti Institute of Professional Education, under the School of Information Science & Management, offers two key programs: Bachelor of Computer Application (BCA) and Bachelor of Business Administration (BBA) are approved by AICTE (All India Council for Technical Education).

AICTE is the statutory body and a national-level council for technical education under the Ministry of Education, Government of India. It is responsible for granting approval to technical institutions, formulating regulations, and ensuring quality standards in technical education across India.

The AICTE approval ensures that both colleges meet the required standards of infrastructure, faculty, curriculum, and other essential aspects needed to provide a high-quality education. This approval is crucial for students, as it guarantees that their qualifications are recognized and respected nationwide.

ABOUT BCI

The Subhwanti Institute of Professional Education, under the School of Law offers two key programs: LL.B and B.A LL.B approved by Bar Council of India (BCI).

The Bar Council of India (BCI), set up under the Advocates Act, 1961, regulates legal education and the legal profession in India. Based in New Delhi, it approves law courses, conducts the All India Bar Examination (AIBE) for advocates, sets professional standards, and oversees state bar councils like the Bihar State Bar Council (BSBC). It ensures quality education and ethical practice nationwide.

ABOUT UNIVERSITIES

Bihar University of Health Sciences (BUHS)

The Bihar University of Health Sciences (BUHS), located in Patna, Bihar, is a premier institution dedicated to advancing healthcare education, research, and practice in the region.

BUHS serves as an affiliating university with jurisdiction over all medical, nursing, dental, and paramedical colleges across the state. Its creation marked a significant step toward consolidating and standardizing health sciences education in Bihar, with the aim of fostering systematic instruction, training, and innovation in both modern and traditional Indian systems of medicine.

BUHS is committed to producing skilled healthcare professionals equipped to address the evolving needs of society. With its headquarters in Patna, the university stands as a beacon of academic excellence and a catalyst for improving healthcare outcomes throughout Bihar.

Bihar Engineering University (BEU)

Bihar Engineering University (BEU), also based in Patna, is a specialized state university established to streamline and elevate engineering education in Bihar. Founded more recently, it took over the affiliation of engineering colleges previously under AKU, focusing exclusively on engineering and technology programs.

BEU aims to address the state's need for high-quality technical education and innovation by providing a dedicated framework for engineering studies, modern infrastructure, and industry-aligned curricula. It plays a crucial role in managing and developing engineering institutions across Bihar, ensuring students receive robust training and opportunities for career growth.

Babasaheb Bhimrao Ambedkar Bihar University

Babasaheb Bhimrao Ambedkar Bihar University (BRABU), popularly known as B.R. Ambedkar Bihar University, is a distinguished public university situated in Muzaffarpur, a prominent city in the northern region of Bihar, India.

BRABU has grown into a cornerstone of higher education in Bihar, overseeing 37 constituent colleges and numerous affiliated institutions across the state. The university offers a diverse array of programs, including undergraduate, postgraduate, and research-level courses, alongside distance education initiatives, catering to a wide range of academic and professional aspirations. Recognized by the University Grants Commission (UGC) and accredited with a 'B' grade by NAAC,

BRABU is committed to fostering intellectual growth, research, and innovation through its robust academic framework, regular symposia, seminars, and workshops, making it a vital contributor to the educational landscape of North Bihar.

Message from Chairman

Dear Students, Faculty Members, and Staff,

I am proud to welcome you to Subhwanti Institute of Professional Education (SIPE), Bettiah, where we are dedicated to providing world-class education that nurtures your professional expertise and prepares you for the challenges of tomorrow. Our vision is to create an environment of innovation, excellence, and knowledge that empowers students to excel in their careers for a meaningful contribution to society.

We focus not only on academic success but also on holistic development by encouraging participation in co-curricular and extracurricular activities. Our esteemed faculty members and state-of-the-art infrastructure ensure that every student is equipped with the skills required to thrive in their chosen field.

We are committed to keeping pace with global trends in professional education and providing our students with the best opportunities for growth and success. Together, let's embark on this journey of knowledge and achievement.

Best Wishes,

Mr. Satish Kumar Rai
(Chairman)
Subhwanti Institute of
Professional Education

Message from President

Dear Students,

It is an honour to extend my warmest greetings to all the students, staff, and faculty members of Subhwanti Institute of Professional Education (SIPE), Bettiah. Our institution stands as a beacon of quality education and commitment in shaping the future of young minds in the field of pharmacy, management, and law.

As we progress towards achieving excellence in professional education, we remain focused on providing a learning environment that fosters creativity, innovation, and problem-solving abilities. The core strength of our institution lies in our faculty's dedication to nurture talent and the industry-focused curriculum that we provide.

I encourage all of you to leverage every opportunity, learn with passion, and strive for success. Together, we will continue to uphold the values of hard work, integrity, and commitment that defines our institutions.

**Dr. Upma Kumari Rai
(President)**

*Subhwanti Institute of
Professional Education*

• *Message from the Director General*

Dear Students and Faculty Members,

As the Director General of Subhwanti Institute of Professional Education (SIPE), Bettiah, it is my pleasure to extend a heartfelt welcome to all. Our mission is to provide high-quality professional education that equips students with the practical knowledge, skills, and competencies required to excel in today's fast-paced world.

Our focus remains on ensuring that our students graduate not only with theoretical knowledge but also with hands-on experience and the confidence to take on leadership roles in the industry. With a team of qualified faculty members, modern infrastructure, and strategic industry collaborations, we are fully committed to the academic and personal growth of every student.

I urge each one of you to make the most of your time with us, stay committed to your goals, and always strive for excellence.

Warm Regards,

**Prof. (Dr.) Arun Kumar Verma
(Director General)**

Former Vice Chancellor, ICFAI University, Nagaland
Senior Scientist (Retd.) DRDO, Ministry of Defence

Message from the Group Director

Dear Students,

It gives me immense pleasure to welcome you to Subhwanti Institute of Professional Education (SIPE), Bettiah, where education transcends traditional learning and prepares you for a bright future. As Group Director, I take great pride in the direction these institutions have taken in providing an exceptional academic environment.

Our philosophy revolves around student-centric learning, where every individual's potential is nurtured, and the focus remains on practical knowledge alongside theoretical concepts. We believe in creating leaders, innovators, and problem-solvers who are well-equipped to face the challenges of the industry.

The growth of our institutions has been fueled by our commitment to quality, innovation, and the development of students who are not only academically proficient but also prepared for the dynamic world ahead.

Best Regards,

Prof. (Dr.) Ravi K. Nath
(Group Director)
(Retd.) Veteran Indian Air Force,
Ministry of Defence

Message from the Principal

Dear Students and Faculty Members,

It is my privilege to lead Subhwanti Institute of Professional Education (SIPE), Bettiah, where we emphasize quality education in a dynamic and supportive environment. Our college is committed to shaping the future of students by offering cutting-edge programs and ensuring they are prepared for real-world challenges.

Our dedicated faculty members, well-equipped classrooms, and modern infrastructure make learning a seamless experience. We also focus on creating a culture of innovation and practical learning so that our students are always one step ahead in their careers.

I encourage every student to strive for excellence, seek knowledge beyond textbooks, and actively participate in co-curricular activities to develop holistically.

Warm Regards,

**Prof. Dr. R.P. Kiran
(Principal)**

Subhwanti Institute of Professional
Education, Bettiah

VISION & MISSION

SUBHWANTI INSTITUTE OF PROFESSIONAL EDUCATION

(School of Pharmacy, School of Information Science & Management, School of Law)

VISION

To emerge as a distinguished hub of professional education, recognized for cultivating innovative, skilled, and ethically grounded professionals in pharmacy, information science, management, and law. We aspire to lead regionally and beyond by fostering academic excellence, cutting-edge research, and transformative contributions to healthcare, technology, business, and justice systems, addressing both local and global challenges.

MISSION

- To provide high-quality, accessible education that integrates theoretical knowledge with hands-on training, ensuring graduates from our pharmacy, information science, management, and law programs are equipped with industry-relevant skills and adaptability.
- To foster a learning environment that promotes critical thinking, ethical values, and social responsibility, preparing students to excel in dynamic professional landscapes.
- To collaborate with industries, legal institutions, and community stakeholders to offer practical exposure through internships, workshops, and projects, bridging the gap between academia and real-world demands.
- To empower students with comprehensive career support, including placement assistance, skill development, and entrepreneurial guidance, enabling them to contribute meaningfully to healthcare innovation, technological advancement, business leadership, and legal justice.

OUR OBJECTIVE

1. **Foster Academic Excellence :** To provide a rigorous and comprehensive curriculum in pharmacy, information science, management, and law that equips students with cutting-edge knowledge and skills aligned with industry standards and global trends.
2. **Promote Research and Innovation :** To encourage faculty and students across all three schools to engage in innovative research projects that address contemporary challenges in pharmaceutical sciences, information technology, management practices, and legal frameworks.
3. **Develop Skilled Professionals :** To train graduates from the School of Pharmacy, School of Information Science & Management, and School of Law to become competent, ethical, and adaptable professionals capable of excelling in their respective fields.
4. **Enhance Practical Learning :** To integrate hands-on training, internships, and real-world case studies into the programs of each school, ensuring students gain practical experience in pharmaceutical practices, IT solutions, business management, and legal proceedings.
5. **Cultivate Ethical Leadership :** To instill values of integrity, accountability, and social responsibility in students, preparing them to lead with ethical principles in pharmacy, information science, management, and legal professions.
6. **Strengthen Industry Collaboration :** To build strong partnerships with pharmaceutical companies, IT firms, business organizations, and legal institutions to facilitate knowledge exchange, placements, and collaborative projects for students and faculty.
7. **Advance Community Service :** To leverage the expertise of the School of Pharmacy, School of Information Science & Management, and School of Law to contribute to community development through initiatives like health awareness campaigns, digital literacy programs, and legal aid services.
8. **Support Lifelong Learning :** To offer continuing education programs, workshops, and certifications in pharmacy, information science, management, and law to enable alumni and professionals to stay updated with evolving industry demands.
9. **Promote Interdisciplinary Integration :** To encourage collaboration among the three schools to develop interdisciplinary solutions, such as leveraging IT for pharmaceutical advancements, legal frameworks for business ethics, or management strategies for healthcare delivery.
10. **Ensure Global Competitiveness :** To prepare students for international career opportunities by incorporating global perspectives, advanced technologies, and best practices into the curricula of pharmacy, information science, management, and law.

PROGRAM LEARNING OUT COMES

School of Pharmacy

1. **Pharmaceutical Expertise** : Graduates will demonstrate a thorough understanding of drug formulation, pharmacology, and therapeutic applications, enabling them to design, evaluate, and dispense medications effectively.
2. **Regulatory Compliance** : Students will master national and international pharmaceutical laws, standards, and ethical practices to ensure safe and legal drug development and distribution.
3. **Patient-Centered Care** : Learners will develop the ability to provide evidence-based pharmaceutical care, counsel patients, and collaborate with healthcare teams to optimize treatment outcomes.
4. **Research Proficiency** : Graduates will acquire skills to conduct scientific research, analyze data, and contribute to advancements in pharmaceutical sciences and healthcare solutions.
5. **Technical Competence** : Students will gain hands-on proficiency in using modern pharmaceutical tools, technologies, and laboratory techniques for drug analysis and quality assurance.

School of Information Science & Management

1. **Information Systems Mastery** : Graduates will demonstrate expertise in designing, implementing, and managing IT systems to support organizational goals and decision-making processes.
2. **Analytical Problem-Solving** : Students will develop the ability to analyze complex data, identify trends, and devise innovative solutions for business and technological challenges.
3. **Management Acumen** : Learners will acquire skills in strategic planning, resource management, and leadership to drive operational efficiency and organizational success.

4. **Digital Innovation** : Graduates will be equipped to leverage emerging technologies like AI, cloud computing, and cybersecurity to enhance business processes and competitiveness.
5. **Effective Communication** : Students will master professional communication and collaboration skills to bridge technical and managerial domains in diverse workplace settings.

School of Law

1. **Legal Knowledge** : Graduates will exhibit a deep understanding of legal principles, statutes, and case law across civil, criminal, and constitutional domains to navigate complex legal scenarios.
2. **Critical Advocacy** : Students will develop the ability to construct persuasive arguments, draft legal documents, and represent clients effectively in judicial and alternative dispute resolution settings.
3. **Ethical Practice** : Learners will uphold professional ethics, integrity, and justice while applying legal knowledge to real-world situations and client interactions.
4. **Research and Analysis** : Graduates will gain proficiency in legal research, statutory interpretation, and precedent analysis to support informed decision-making and case preparation.
5. **Societal Impact** : Students will be prepared to address contemporary legal issues, promote access to justice, and contribute to policy development for social and economic betterment.

ELIGIBILITY CRITERIA

SCHOOL OF PHARMACY

Affiliated to BUHS & Health Dept. Govt. of Bihar & Recognised by PCI

D.PHARM : It is **2 years** course and eligibility is **12th** pass with **PCB/PCM**

B.PHARM : It is **4 years and 3 years** course for Lateral Entry. Eligibility is **12th** pass with **PCB/PCM** & **D.Pharm** for Lateral Entry

M.PHARM : It is **2 years** course. Eligibility is B.Pharm/B.Pharm +G-PAT

SCHOOL OF INFORMATION SCIENCE & MANAGEMENT

Affiliated to AKU,Patna&Recognised by AICTE,New Delhi

BCA : It is **3 years** course and eligibility is **12th** pass

BBA : It is **3 years** course and eligibility is **12th** pass.

SCHOOL OF LAW

Affiliated to B.R.A.B.U (Muzp.) & Recognised by Bar Council of India & State Govt. of Bihar

LL.B : It is **3 years** course and eligibility is graduate

B.A LL.B : It is **5 years** course and eligibility is 12th pass

TRAINING & PLACEMENT

The Subhwanti Institute of Professional Education (SIPE) in West Champaran, Bihar, offers focused training and placement support across its School of Pharmacy (M. Pharma, B.Pharm, D.Pharm), School of Information Science & Management (BCA, BBA), and School of Law (LLB, BA LLB).

Training:

- **Pharmacy** : Hands-on labs in pharmaceuticals and pharmacology, GMP workshops, and mandatory internships in hospitals or pharma firms.
- **Information Science & Management** : Coding, analytics, and management skills via computer labs, with training in AI, cloud computing, or leadership, plus internships in IT or corporate sectors.
- **Law** : Moot courts, legal drafting, and advocacy practice, with workshops on cyber law or arbitration and internships at law firms, courts, or NGOs.

Placement:

Graduates target roles like pharmacists, quality analysts, software developers, IT consultants, marketers, lawyers, or judicial aspirants. The placement cell connects students with regional employers (e.g., pharma firms like Cipla, local IT companies, or law firms), offering resume-building, interview prep, aptitude training, and career counselling.

SIPE's practical, industry-aligned approach ensures job-readiness, with a regional focus.

5th Foundation Day Celebration of Hi-Tech Polytechnic College, Bettiah

Hi-Tech Polytechnic College, Bettiah, a part of the Subhwanti Group of Institutions, celebrated its 5th Foundation Day on 3 May 2025 with great pride and purpose. As a leading polytechnic college in Bihar, Hi-Tech fulfilled a dream - to make quality technical education accessible to even the remotest corners.

Foundation Day begins with the tradition of lighting up the ceremonial lamp in the presence of our esteemed guests:

Chief Guest - **Dr. (Prof.) Vivekanand Pathak**, Principal of Government Polytechnic College, West Champaran

Guest of Honor - **Dr. Smriti Ratan**, HOD of Electrical Engineering, Government Polytechnic College, Motihari

The dignitaries from the Subhwanti Group :

Chairman - **Mr. Satish Kumar Rai**

President - **Dr. Upma Kumari Rai**

Director General - **Dr. Arun Kumar Verma**

Group Director - **Dr. Ravi K Nath**

Principal - **Dr. R.P. Kiran** (Hi-Tech Polytechnic College, Bettiah)

Subhwanti honored the dedication of Principals, Centre Coordinators, Academic Heads, and Social Consultants from across the district for their invaluable academic contributions. The celebration also honored the BSEB 2025 toppers of Class 10 and 12 with medals and certificates as a token of appreciation for their hard work and motivation to aim higher. Hi-Tech Polytechnic College also awarded the toppers of the Polytechnic, Engineering, Pharmacy, and Management departments as a sign to boost their efforts.

Cultural Program - Colors and Celebration

In the League of Celebration, a vibrant cultural program brought the stage to life with music, dance, and drama. One of our guests, Mrs. Aradhna Kumari, made the event memorable through her Kathak Dance Performance. The students showcased beautiful performances like Welcome Dance, Bollywood Dance, Comedy Drama, and Solo Dances. The cultural session reflected the immense talent and spirit of the student community, filling the atmosphere with joy and applause.

Key Contributors of the Event :

Prof. Hediattyatullah, Prof. Abdul Rahman, Prof. Pankaj Kumar, Registrar Kamal Hussain, Academic Dean Prof. H.K. Jha, Prof. Nirupam Kumar, HOD of CSE Prof. Chandan Srivastava, Deputy Academic Coordinator Mrs. Madhu Tiwary, Content Writer Anjali Singh, along with Assistant Professors Abhimanyu Kumar Jha, Krishna Yadav, Shahbaaz Akhtar, Navneet Kumar Satyam, Navneet Kumar, Preeti Kumari, Rati Raj, Sushmita Kumari Dubey, Vikas Kumar, Mujahid Islam, Manisha Rai, and Mohan Kumar Singh.

Students actively joined hands in organizing, participating, and volunteering for the event, which resulted in a grand success.

More Than a Celebration – It Was a Spark of Inspiration

This Foundation Day was a celebration of renewed promise to empower students, nurture innovation, and foster holistic development. Hi-Tech Polytechnic College of SGI stands out as an academic brand, a beacon of commitment, growth, and transformation.
